Reaching the Elettra Laboratory by Bus from downtown Trieste

There are regular city service buses (N. 51 and 39) that travel from Trieste central railway station to the Elettra Laboratory or the village of Basovizza, which is about 10 km far from downtown Trieste. The bus stop can be found in Piazza della Libertà, the square facing the station (A), near the traffic light in front of the Unicredit bank (B). Tickets are €1.10 (one way) and can be bought in the newspaper kiosk or at the automatic ticket machine in the main square, in front of the railway station main entrance. It takes about 20 to 25 min to reach destination.

Note on Timetables: "Feriale" refers to a working day, "Festivo" to Sundays or National holidays (25/04, 1/05, 3/06, 1/11, 8/12) or City holidays (3/11). Note also that bus N. 39 stops in Basovizza (1.5 km from the lab) and only few rides reach Elettra.
